

Villa Sinfonia Foundation
 Zephyr Point
 Chamber Music Camp
 June 26 - July 8, 2022

Since 1997, Villa Sinfonia has held its Chamber Music Camp every summer at the Zephyr Point Presbyterian Conference Center at Lake Tahoe, until camp was interrupted by the pandemic. We are excited to return to 2 sessions of camp in 2022! Our camp offers musicians of nearly all ages and levels the opportunity to study and perform chamber music alongside more experienced students, amateurs, and professional musicians. Students play in ensembles with their coaches (unless they come to camp as a pre-formed ensemble), with each group performing at least twice during the week. Parents with younger children can enjoy a week at Lake Tahoe, filled with music, fun, and friends.

This year, our camp returns to its traditional format, with Session 1 open only to older, more experienced players, and Session 2 open to all levels. During Session 2, less experienced performers will typically have a small ensemble in the morning and chamber orchestra in the afternoon. More advanced players will have 2 small ensembles, continuing the structure of Session 1. Typical repertoire ranges from early Mozart quartets to works by composers such as Tailleferre, Dvorak, Schubert and Shostakovich.

Session 2 has chamber orchestra for younger musicians.

Camp participants are housed in a lodge for Session 1, with most rooms having two twin beds. Communal men's and women's bathrooms are located on each floor.

For Session 2, there are a limited number of rooms available in the dining hall building, with 2 queen beds and private baths. Priority will go to families of 3 or 4, but families of 2 may request one at an extra cost. Vegetarian and vegan meals are available for a small fee. The Center provides gluten-free and lactose-free options as much as possible.
